## Welcome to the 16th Annual **Big Sky Draft Horse Expo**

This show is designed to support the draft horse industry and to create a fun, entertaining and educational event in Montana. The classes are arranged to offer the spectators a variety of activities each day and to make the show flow as smoothly as possible for the exhibitors.

The show features draft horse breeds and we welcome mules and light driving horses to enter the open classes.

This is the best draft horse show in Montana. We hope you will be able to attend as an exhibitor or as a spectator.

In addition to the draft horse show, there are a number of things under the Grandstand that you will find of interest. The Quilt Show along with other displays are well worth a few minutes on Saturday or Sunday to browse through. And, a variety of vendors offer some great opportunities to pick up a souvenir of the show.

An Ice Cream social and auction will be held on Saturday evening in the Blue Ribbon Pavilion. This activity is sponsored by the Youth Teamsters group. The proceeds go to support the youth as they sharpen their driving skills to be the future teamsters of the region. A program on driving safety will be presented by Alex Fraser during evening.

**The Montana Academy of Living History** offers workshops during the week of September 14 - 16 at the Grant-Kohrs Ranch and Old Montana Prison Museums. Check the Academy of Living History web site for information about classes and registration.

Dry camping is available at the fairgrounds for \$10 per night. There are limited electrical hookups available for an additional \$5 per night. A list of area motels and campgrounds is listed below. If we can be of further help, please feel free to contact any of the show committee members.

Go to the web site [www.draffhorseexpo](http://www.draffhorseexpo) for more details about the show and [www.academyoflivinghistory](http://www.academyoflivinghistory) for workshop information.

Exhibitors should be aware that ringworm, warts, pinkeye, strangles, contagious ecthyma, scabies, lice, mites, ticks, and fleas all fall into these categories.
5. It is recommended that you vaccinate your horses for influenza prior to attending any events where other horses are being shown or stabled. Consult with your veterinarian for any other vaccination recommendations.
